PETITION TO ACCORD CORRECT FILING DATE

Sir:

This Petition to Accord Correct Filing Date is submitted in accordance with 37 C.F.R. § 1.10(c). In accordance with the requirements of 37 C.F.R. § 1.10 (c), Applicant submits the following arguments and evidence to show that there is a discrepancy between the filing date accorded by the U.S. Patent and Trademark Office ("USPTO") and the date of deposit as shown in the "date in" on a true copy of the Express Mail receipt received from the United States Postal Service ("USPS"). Specifically, 37 C.F.R. 1.10(c) includes the following three requirements for such a petition, each of which Applicant submits is fully complied with herein:

37 C.F.R. § 1.10(c)(1) - Promptly Filed

Applicant's representative filed the above-referenced non-provisional application by depositing the required application papers with the USPS on December 11, 2001, in accordance

RECEIVED PETITION, DEPT. OF COMMERCE, WASHINGTON, D.C.

01 FC:122 130.00 CR

Adjustment date: 05/15/2002 AKELLEY
02/12/2002 AMONDAF1 00000006 170055 10014135
01 FC:122 130.00 CR

with the "Express Mail" procedure set forth in 37 C.F.R. § 1.10. A self-addressed return receipt postcard with proper pre-paid postage was included with the application papers. Applicant's representative subsequently received the return receipt postcard on December 27, 2001. The postcard included a bar code label evidencing proper receipt of the contents of the application papers by the USPTO. The bar code label further indicated that the application was assigned the above-noted Application Serial Number and a filing date of December 13, 2001. A copy of this return receipt postcard on a sheet on which the date it was received by Applicant's representative is entered thereon is enclosed as **Exhibit A**.

Thus, Applicant submits that December 27, 2001, is the date on which Applicant became aware that the Office accorded a filing date other than the USPS deposit date and, therefore, this petition is being promptly filed. Hence, Applicant submits that this petition meets the requirements of 37 C.F.R. § 1.10 (c)(1).

37 C.F.R. 1.10 (c)(2) - Express Mail Number Placed on Papers

Each of the application papers that accompanied the above-referenced non-provisional application had placed thereon the number of the "Express Mail" mailing label. Moreover, the person making the deposit certified the fact that the application papers were being deposited with the USPS on December 11, 2001, using the specified number. A copy of this certification and the cover sheet for the patent application are each enclosed as **Exhibit B**.

Hence, Applicant submits that this petition fulfills the requirements of 37 C.F.R. 1.10(c)(2).

37 C.F.R. 1.10(c)(3) - True Copy Showing "Date In"

According to this provision, the petition must include a true copy of the "Express Mail" mailing label showing the "date in." Submitted herewith, as Exhibit C, is a true copy of the Express Mail mailing label showing a "date in" of December 11, 2001, as the correct deposit date. It is additionally noted that the "Express Mail" mailing label includes a separate stamp placed thereon by the USPS indicating a deposit date of December 11, 2001.

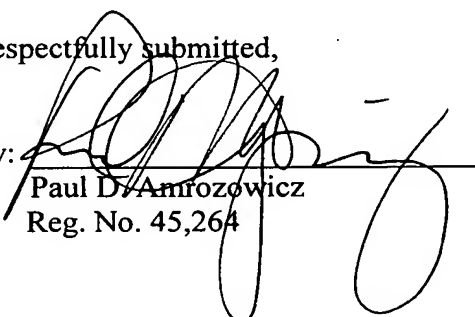

By providing a true copy of the "Express Mail" mailing label, Applicant submits that this petition fulfills the requirements of 37 C.F.R. 1.10(c)(3).

Conclusion

Applicant respectfully submits that each of the requirements of 37 C.F.R. 1.10(c) has been met, and therefore respectfully solicits the granting of this Petition to Accord Correct Filing Date. The Office is authorized to deduct the petition fee in the amount of \$130.00 from our deposit account 17-0055.
